### Tents and accessories

Tank Rent places at your disposal several American military tents and various accessories for rental (cartridge belts, canteens, ammunition, rifles, stretchers, jerrycans, walkie-talkies, radio sets, etc.) for your film shoots or your commemorative events.

### American hospital tent

The "Hospital Ward" tent is used as a field hospital unit. It was standard equipment for injured personnel recovery and evacuation units, surgical hospitals, convalescence hospitals and veterinary hospitals. Its capacity is 20 beds or 25 stretchers. With four tall masts, it measures 4.88 m wide, 15.24 m long and 3.66 m high.

### Small tent

Reserved for officers, the "Small Wall" tent can accommodate two persons. It measures 2.69 m wide, 2.79 m long and 2.59 m high. Made of thick waterproofed canvas, it has an opening panel on each side.
